BML Munjal University (BMU), founded by the Hero Group and mentored by Imperial College London, seeks to transform higher education in India by creating a world-class and innovative teaching, learning, and research environment. BMU is approved by the University Grants Commission (UGC).

Supported by the Imperial College London, the 107-year-old University that is ranked 9th in the QS World University Rankings (2019), BMU’s vision is to enable students to become ethical leaders and entrepreneurs.

The curriculum at BMU is focused on experiential learning with up to 45% of the contact hours (the highest in the world) spent on hands-on learning through projects, practicals, workshops, labs, industry visits and Practice School.

BMU has a strong focus on research and is facilitating advanced R&D through on-campus, state-of-the-art research centres and labs, and partnerships with leading R&D institutes such as Fraunhofer Gesellschaft, Germany; CEERI, Pilani; CSIR-CSIO, Chandigarh; CSIR-CBRI, Roorkee and NPL, Delhi.

BMU has been officially approved by the Department of Science and Industrial Research (DSIR) Govt of India for BMU’s potential for conducting research. The University believes in fostering the growth of industry-academic linkages to bridge the gap between the University education and the industry.

**ADMISSIONS PROCESS**

At BMU, we believe in a holistic assessment of every application and don’t evaluate students based on cut-offs. Apart from the qualifying exam results, BMU also looks at every student’s academic and non-academic journey up to application. BMU focuses on creating a class full of students who are passionate, sincere and eager to learn. Through an interview of every single applicant, the Admissions Panel is able to select a class of students who will go on to become leaders and find solutions for the society.
